## Art Camps

**Fiber Art for Kids: Crochet, Sew and Weave** Instructor: Petra Schumann

Ages: 9 -12; Mon-Fri, July 10 - July 14, 9:00 am - Noon; Tuition & Materials Fee: \$250

With easily accessible materials such as a ball of yarn or piece of fabric, kids can enter a whole new world of creativity. In this week-long morning program, fiber art campers will learn the basics of sewing, weaving and crochet. Everyone will also learn to embroider their own art bags AND there will be projects to finish at home. The focus is on exploring, creating and developing new skills.

**Hands On, Screens Off!** Instructor: Petra Schumann

Ages: 7-11; Mon-Fri, July 17 - July 21, 9:00 am - Noon; Tuition & Materials Fee: \$250

Join us for five days of creative fun! Each day will feature a mix of "messy" artistic media: paint, watercolor, oil pastels, collage and — most kids' favorite — making sculptures from repurposed materials. Campers will improve their fine motor skills, work with new materials, explore their own creative ideas, and bring home art that makes them proud.

**Mixed Media Art Camp** Instructor: Sharon Collins

Ages: 7-13; Wed-Fri, July 24 - July 28, 9:00 am - 3:00 pm; Tuition & Materials Fee: \$465

Join us for creative studio time! Art campers will explore a variety of mixed media techniques using a variety of materials from paint to print ink to mixed media collage. Kids will create prints (one-of-a-kind prints to "plates" print several copies), experiment with different paints and textures for collage and build a portfolio of work over the course of the week

# Filmmaking Camps

**Live Action and Claymation**, Instructor: Incrediflix

Ages: 7-13; Mon-Fri, June 19 - June 23, 9:00 am - 4:00 pm; Tuition & Production Fee: \$500

In the mornings, campers discover their filmmaking talents! Kids don't need acting experience to take part, as they'll be guided through the Hollywood process to create, direct, film, act and more. Not only will a great movie be made during the camp, but campers will have the skills to make their own movies with friends and family after. AND, in the afternoon, campers will create their own claymation movie!

Clay characters will be created to star in a movie that campers will film, direct and do voice-over for in small groups. Bring snacks, lunch and a beverage (no nuts or nut products). Fee includes tuition and production fee. Flix are emailed within a month after camp ends.

**Lego & Animation Flix**, Instructor: Incrediflix

Ages: 7-13; Mon-Fri, July 31 - Aug 4, 9:00 am - 4:00 pm; Tuition & Production Fee: \$500

It's Stop-Motion Fun! In the mornings, bring LEGOs to life as campers work in groups to create a LEGO stop-motion movie with camper created voice-overs. AND, in the afternoons, campers create up to five new stop motion movies. Animate cars, use pixelation, and more as you get to learn a new style each day in this fast paced class with all new stop motions for 2023. Bring snacks, lunch and a beverage (no nuts or nut products). Fee includes tuition and production fee. Flix are emailed within a month after camp ends.
